Temagami is truly an adventurer's mecca. This area is legendary for its canoeing, back country hiking, camping, fishing, and snowmobiling. Visitors who spend time in the community can challenge themselves with climbing the fire tower, tour the restored historic train station, enjoy lunch at one of the popular restaurants, visit a boutique or outfitter along the way, or just take it easy with a picnic at the community waterfront.

A fully serviced community including a state of the art water front library.
